General Terms and Conditions:

- Quote is valid for 30 days from the date of this proposal.
- 10 days notice required for scheduling.
- 24 hours notice required for rescheduling.
- Site must be ready with cat-track, permanent striping, grinding, asphalt, approvals, etc. prior to loop installation.
- Access to the job site must be furnished by Contractor, the general contractor, lessee or other party ordering work.
- Additional charges may incur for the following:
 - a) Site is not ready (for TLC's scope of work) the day of scheduled work or delays
 - b) Extra move-ins
 - c) When minimum move-in requirements are not met (if noted in quote)
- All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Traffic Loop Crackfilling, Inc. (TLC) before performing this work. No extra work or additional work will be performed without written authorization.
- This quote will not be valid if there are any changes or deletions of any item post bid and will need revised pricing.
- Total bid must be accepted (must use all line items) unless otherwise noted or agreed to. If you need revised pricing for only a portion of the work, contact Estimator.
- TLC will not be impacted by Liquidated Damages assessed by the Contractor / Agency due to an inadequate amount of time to complete TLC operations.
- Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly payments must be received in full by TLC no later than 10 calendar days after the Contractor receives payment from Owner for our completed work.
- Retention % is to be withheld only as per the Owner's requirements.
- Contractor hereby agrees that time shall be of the essence in regard to all payments provided for herein, and if any payment is not made when due, Contractor agrees to pay all collection costs and expenses including costs of suit and any related attorney's fees and costs and also hereby waives the benefit of any statute of limitation that would prohibit an action of TLC to enforce the terms and conditions of this Contract including but not limited to any right to recovery of attorney's fees and costs. The laws of the State of California shall control all aspects of this contract except as to lien matters, which will be governed by the laws of the state where the subject property is located.
- TLC requires a written contract, purchase order or signed quote prior to the start of work.
- The language and terms used in this exhibit supersede any conflicting terms in the Subcontract Agreement.

CLARIFICATIONS:

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty, (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent, (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordingly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.
12. Pre-Striping pavement preparation, including sweeping & curing compound removals, to be provided by others.
13. Any additional work in excess of the quantities price will be billed at the units. No discounts given for under-runs without prior approval of Super Seal & Stripe.
14. This proposal excludes all costs associated with training classes, badging, fingerprinting, background checks, etc. including but not limited to any fees and man hours required.
15. Any down-time due to work site access restrictions will be billed as an extra cost at the rate of \$125/man hour.
16. This proposal excludes any insurance requirements beyond those which are included on the last page of this proposal.
17. Upon acceptance of this proposal, all terms, conditions and exclusions on all pages of this proposal shall be incorporated into the contract as an addendum.
18. The owner / general contractor is to provide, at no cost to Super Seal & Stripe, fenced-in location(s) for material & removal debris waste on-site as required. A porta-potty & wash station shall also be provided at the fenced-in location(s).
19. Owner / general contractor shall locate and mark-out all sign locations for Dig Alert prior to Super Seal & Stripe's mobilization. Super Seal & Stripe shall be notified when the mark-out is complete so Dig Alert can be called.

THIS PROPOSAL EXCLUDES BOND COSTS. CALL FOR BOND RATE.

CLARIFICATIONS:

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent. (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordingly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.
12. Pre-Striping pavement preparation, including sweeping & curing compound removals, to be provided by others.
13. Any additional work in excess of the quantities price will be billed at the units. No discounts given for under-runs without prior approval of Super Seal & Stripe.
14. This proposal excludes all costs associated with training classes, badging, fingerprinting, background checks, etc. including but not limited to any fees and man hours required.
15. Any down-time due to work site access restrictions will be billed as an extra cost at the rate of \$125/man hour.
16. This proposal excludes any insurance requirements beyond those which are included on the last page of this proposal.
17. Upon acceptance of this proposal, all terms, conditions and exclusions on all pages of this proposal shall be incorporated into the contract as an addendum.
18. The owner / general contractor is to provide, at no cost to Super Seal & Stripe, fenced-in location(s) for material & removal debris waste on-site as required. A porta-potty & wash station shall also be provided at the fenced-in location(s).
19. Owner / general contractor shall locate and mark-out all sign locations for Dig Alert prior to Super Seal & Stripe's mobilization. Super Seal & Stripe shall be notified when the mark-out is complete so Dig Alert can be called.

THIS PROPOSAL EXCLUDES BOND COSTS. CALL FOR BOND RATE.

Granite Rock Company is committed to a diverse workforce and hosts many outreach programs in underrepresented communities. Job fairs are advertised using print and on-line media in both English and Spanish. All available employment opportunities are posted on *The California Diversity Local network*, an online website focusing on connecting employers with local community and diversity organizations to help build a diverse workforce. Following is a partial list of other outreach efforts.

June 29, 2018	Hosted DBE Roundtable at Graniterock's Corporate Office in partnership with CPM Logistics. The intent was to locate DBE/DVBE/SBE firms to participate in bidding public works projects to Graniterock. This very successful event was well attended and included Ann Danko, representing Caltrans District 5.
May 24, 2018	Exhibitor in "The Blue Book Building & Construction Network" Showcase in San Ramon. A Graniterock Marketing Representative and our Senior Estimator were in attendance to promote networking between general contractors, subcontractors, suppliers, and manufacturers including small business and minority-owned companies.
December 11, 2017	Chief Estimator attended Caltrans' SB1 Partnership Forum – Rebuilding California – District 4. Discussion included challenges and opportunities for small businesses.
November 9, 2017	Graniterock was an exhibitor at a Procurement and Supplier Diversity Outreach Event hosted by Santa Clara Valley Transportation Authority. This event supported the VTA's Regional Business Diversity Program. Presentations were made by California Senator Jim Beall, Caltrans, BART, as well as SCVTA and other public agencies. This all day event included networking with various small or disadvantaged business, public agencies, etc. Graniterock was represented by our Senior Estimator and Marketing Manager who shared upcoming subcontracting opportunities.
May 12, 2017	Sponsored CPM Logistics' annual Small Business Summit in Oakland.
May 11, 2017	Chief Estimator, Marketing Representative, and Estimating Administrator represented Granite Rock Company at a Regional Business Diversity Program hosted by Santa Clara Valley Transportation Authority and the County of Santa Clara. Our representatives were there to promote networking between our company, public agencies, and MBE/WBE/DVBE subcontractors.
October 27, 2016	Exhibitor in "The Blue Book Building & Construction Network" Showcase in San Ramon. Director of Marketing, Chief Estimator and one of our Senior Estimators were in attendance to promote networking between general contractors, subcontractors, suppliers, and manufacturers including small business and minority-owned companies.

October 17, 2016	Senior Project Estimator attended District 4 pre-bid meeting hosted by VTA and Caltrans to network with subcontractors interested in bidding \$47M Contract No. 04-235654.
August 25, 2016	Senior Estimator and Estimating Administration Manager attended a Prime-DBE Cooperative (PDC) Workshop at the Caltrans District 4 office in Oakland. Along with networking between Primes and DBE subcontractors, presenters covered DBE guidelines, requirements, and the good faith effort process.
July 29, 2016	Chief Estimator attended a business outreach meeting held by the Alameda County Public Works Agency (ACPWA). In attendance were representatives from the East Bay Municipal Utility District (EBMUD), General Services Agency (GSA), the Metropolitan Transportation Commission (MTC), the Alameda County Transportation Commission, and AC Transit. Along with discussion of upcoming construction projects, the meeting allowed for local & small business outreach and networking opportunities.
May 3, 2016	Estimating Team participated in a Prime Networking Event held by Santa Valley Transportation Authority (VTA), San Mateo County Transit District (SamTrans), and Peninsula Corridor Joint Powers Board (JPB). The team met and spoke with many people representing DBE & SBE firms regarding upcoming contracting opportunities with Graniterock.
March 15, 2016	Caltrans District 4 Small Business Outreach was attended by Senior Estimator and Estimating Administration Manager. Networked with DBE & SBE subcontractors.
January 28, 2016	Caltrans Prime Contractor Training presented by Office of Business and Economic Opportunity. Estimating Administration team attended this training at Caltrans District 4 office in Oakland. The presentation encompassed an overview of their SB/DVBE/DBE programs, reporting requirements, etc.
